SERVICES

Big Ocean Painting delivers a wide variety of painting services to fit your needs.

We have always placed an emphasis on having well-trained and organized crews that are fully equipped with all the tools and equipment necessary to complete the job at hand. This increases efficiency and allows our crews to focus completely on your project. We also use the best paint and paint products available.

We employ the most appropriate technique for each individual project. We achieve great results by know-how and not by chance.

Our services include:

- All types of Interior/Exterior Painting
- Wall covering Installation/Removal
- All types of spraying (Airless, Conventional)
- All Epoxy Coatings
- Waterproofing and Water repellant Coating
- Pressure Washing and Cleaning
- Masonry Surface Restoration (sandblasting)
- Graffiti Removal from Concrete and Masonry
- Faux/Decorative/Special Finishes of All Kinds
- Fine Finish Enamel Woodwork Painting
- Color Consultations

About Big Ocean Painting

The principals of Big Ocean Painting have been in the painting business contracting with residential homeowners in addition to commercial companies for over Thirty years.

Big Ocean Painting specializes in performing work for residential homeowners and commercial companies throughout the Puget Sound Region. Big Ocean Painting is one of the areas most professional and reliable contractors. Big Ocean Painting is a family owned and operated business based out of Edgewood, Washington.

We have established a solid reputation for superior craftsmanship in the painting industry with emphasis on honesty, integrity and quality in doing business with a wide range of clients. We will deal fairly and honestly with all of our clients. We will always act as respectful guests on our client's premises. We will do the same high quality work for our clients that we would do in our own homes. We will provide an excellent paint job that is done professionally.

Big Ocean Painting has night and weekend crews available for projects big and small. Our crews consist of highly motivated professionals that strive for excellence with each individual project. Big Ocean Painting is fully insured, providing all of our laborers with workers compensation and employer liability insurance. We provide professional service, reliability and satisfaction guaranteed.

Big Ocean Painting works for homeowners, property managers, realty companies, schools, warehouses, retail stores, churches, senior living communities and more. In addition, all of our estimates on the services we provide are free. We schedule our appointments within 48 hours and the proposal is written and delivered promptly. Big Ocean Painting has the quality workmanship, service and support team to assist you on virtually any project you may have. Honesty. Integrity. Quality.
